IGNORANCE OF QUACK DOCTORS AND NOSTRUM MAKERS.

MAKERS.

Through the ignorance of the Quack Doctor, knowing no other remed, he reins mon Municipal and givesit to all his patient in Pais, 19 Qp. For, so the Nostrum Maker capably and rank adds to his so-called Extracts Specific, Artidote, &c., both terying upon its effects in curting a few in a hundred. If is trumpeted in various ways throughout the land; but, Alass I nothing is said of the batance; some of whom die, others grow worse, and are left to imper and suffer for months or years, until relieved of cured, if possible, by competent physicals.

BUT ALL QUACKS ARE NOT IGNORANT.

Nothwithstanding the foregoing facts are known to some Quack loc ors and Nostrum Makers, yet, regardless of the life and health of others, there are those among them who will even perjure themselves, contra dicting giving mercury to their pat enis or that it is con-tained in their Nostrums, so that the " usual fee " may be obtained for professedly curing, or "the dollar" or "traction of it" may be obtained for the Nostrum. It is thus that many are deceived also, and uselessly spend large amounts for experiments with quackery. DR. L. DIX'S

charges are very moderate. Communications sacredly confidential and all may rely on him with the strictest secrecy and confidence whatever may be the disease, condition or situation of any one married or single.

WILLCOX & GIBB . Family Sewag Machine

Price with Hemmer and Feller \$40,000. \$100,00

 $T^{\rm HE}$  WILLCOX & GIBB'S Family Sewing Machine, is the best Machine, without regard to price for Family Sewing, Braiding, Bemming, Felling, Tocking, Cording.

It forms a flat, even seam, which will not rip in wear even when out at frequent intervals, and makes the tight-est and most elastic seam, for Full t loth, of any Machine

A peculiar feature of this much he, which deserves purticu ar attention, is a PATENTED DEVICE, which prevents the possibility of setting the needle wrong—and ole which prevents the Machine being turned wrong.

The William & Gina's Hemmers and Fellers are the on-

The Willick & Ginn's Hemmers and Fellers are the enly really practical Demmers in use, and are worth one half of the price of the Machine, over all others for amily use. They form a narrow, light hem or fell, far nicer than can be done by hand. The Needle is very short and perfectly traight, enabling it to see through hard thick seams, or gathers in hard cloth, where all Machines using long or curved needles utterly fail.

The feed has no tendency to draw soft, light goods down into the machine, but will sew Linen Cambric perfectly. It is acknowledged by all who see or use this Machine that it is the

Easiest to Learn to Use and Keep in Order

of any Machine made

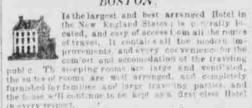

"After much wear, and many washings, the stitching is
found to retain all the reundness, evenuess and firmness
which are so much admired at first."—New York Sen.

### HARTC\_C CANDIES A SAFE, RELIABLE AND THOROUGH FAMILY PHYSIC

NEVER, since the dawn vilization, has there

NAVER, since the dawn vilization has there been recorded such an improvement of leaf science as that mangurated by the discovery of CAREY'S CATHARTIC VANOIRS.

The days of disgusting and dang group pills, made of mercury and aloes, of innecess suits and somes, of sick-talep and rhubert powders, are now numbered, a new era opens up, the medicinal properties of the cru and most expensive drugs have been, by the known only to Dector Carey, chemically are a some large moved, and made anto the form of delicious canales. There is no longer a necessity for parents toward them selves or their children to swallow and strangle with loathsome-tasting physic.

toathsome-tasting physic.

CANET'S CATHARTIC CANDIES

Have valuable medical properti sthat no prise or powders ever can possess. They can be given to those with the most deflower stomachs, without the slightest knowledge that they are taking physics they are not to be ever howed whole, being the same in the centre that they are in the outside, place one in the mouth before reffring for the right, nilow it to dissolve slowly away—its taste will be found delicous, while there are variety of flavors to still very paties. For all classics originating in the Stomach, the Bowel- the Liver, o he Kidneys, there has never been a medicine to exist noethal could equal them. They are sum niced not ceontain a single particle of Mercury or other miner, or corressive substance, and can be given to he weak at infant with periest refety. Their pencenting properties closuse and invigorate every portion of the furnam body, correcting it discussed action and restoring its health, strength a ovicor. Their effect upon the blood is to purify it from all unleasity humans, and to institute it a new life and richness that will cause the olded and most aggravated complaints to specify and permanently discippers. Subjected as the certificate of the celebrated chemist. W. V. S. Butleton, the biguest suthority in the United states who has carefully examined and theroughlit, or eather properties at d value of the Canties. Heart will be averaged in them. toathsome-tasting physic. CARET'S CATHARTIC CANDLES on the Candus Hear was the says regarding them: New York, Jan. 81, 1865

Mr. Gro. C. Barchan
Propieter of C. ey's cepthartic Candles:
DEAR FIR. I have margine and tested artically you care in Cathartic Cardies, which i berely certify to be a safe and very efficients physic. They do not contain any more all of corrective abstance and may be administered to mysiles or chairen without tear. I connect them to be any important discovery and one which is of the greatest value to the community at large.

V.S. HULION, Augistical Chemist. SIGKLY FESTALES
